Email: dsalter@dallasisd.org

Dear Deborah,

Thank you for inviting me to propose summer science enrichment programs for students enrolled in your summer programs. I am pleased to be working with DISD and your department this summer.

Science Safari is a sole proprietorship, formed in 1994 and owned 100% by Susan O. Campbell. As the only full-time staff person, I am happy to provide proof of an incident-free record of my criminal history. At any point in the future, should I seek additional staff, I will require and will review a criminal background check for both Federal and State records prior to hiring.

Best regards,

Susan O. Campbell

Man loves to wonder and that is the seed of science.
